ABOUT CONFERENCE

6th International Conference on Multidisciplinary and Current Educational Research (ICMCER 2025) is a premier gathering for academics, researchers, educators, and practitioners worldwide to share innovative ideas and explore advancements in education. Organized by the IFERP Academy thailand society, the conference will take place on March 13th-14th, 2025, in Bangkok, Thailand. It aims to foster dialogue, disseminate cutting-edge research, and facilitate networking among participants across diverse educational disciplines. Key themes include multidisciplinary approaches, educational policies, technology integration, teacher education, curriculum development, lifelong learning, and special education. Educators, researchers, policymakers, and professionals from institutions, government agencies, and NGOs are encouraged to attend and contribute through paper submissions, which offer publication opportunities in conference proceedings and journals.

CONFERENCE THEME

"Transformative Learning for Sustainable Development: Insights from Multidisciplinary Research"

explores how diverse fields of study contribute to educational approaches that foster sustainable development by inspiring meaningful and lasting change in individuals and communities through innovative research and learning methodologies.

OBJECTIVES OF THE CONFERENCE

These objectives aim to create a dynamic and enriching environment for academic discourse and innovation in education at ICMCER 2025,

KNOWLEDGE EXCHANGE:

Foster dialogue and collaboration among researchers, educators, and practitioners across various educational disciplines.

RESEARCH DISSEMINATION

Provide a platform for presenting and discussing cutting-edge research findings in educational theory, practice, and policy.

NETWORKING

Facilitate opportunities for participants to establish connections and build partnerships for future collaborative endeavors.

PUBLICATION OPPORTUNITIES

Offer avenues for researchers to publish their work in conference proceedings and reputable journals, enhancing visibility and impact.

MULTIDISCIPLINARY INSIGHTS

Explore diverse perspectives and methodologies contributing to educational advancements and sustainable development goals.

PROFESSIONAL DEVELOPMENT

Enhance the professional growth of attendees through workshops, panel discussions, and interactions with experts in the field.

GLOBAL ENGAGEMENT

Promote international cooperation and understanding in educational research and practice

PURPOSE OF THE CONFERENCE

These policies aim to create a productive, respectful, and forward-thinking environment for all participants at ICMCER, promoting excellence and progress in educational research and practice.

Inclusivity and Diversity: Promote an inclusive and diverse environment, ensuring equal opportunities for participation and representation from all backgrounds, disciplines, and regions.

Academic Integrity: Uphold the highest standards of academic integrity, encouraging original research and rigorous peer review to maintain the quality and credibility of presented work.

Interdisciplinary Collaboration: Encourage collaboration across different disciplines, fostering innovative approaches and solutions to educational challenges through interdisciplinary research and dialogue.

Ethical Research: Advocate for ethical research practices, protecting the rights and welfare of research subjects and ensuring transparency in research methodologies and findings
